The BID has been a "partner" in the Alive & Running event for the last several years. In that capacity we have been able to minimize conflicts re parking and offer suggestions for event improvements. Didi Hirsch has always operated a top notch event and we totally support it. Let me know as we may assist further in any way.

Hi Don and Miki!

Just wanted to check in on whether there have been any past concerns or issues surrounding this annual 5K run organized by Didi Hirsch on Westchester Parkway. Traffic Control Plan and street closures attached.

We are waiving the petition requirement in lieu of flyering as it is an annual event and I have heard only good things, but just wanted to check in with you in the event there are any issues with this I may be unaware of to take into consideration.

Thank you!
